

Using the Search Function in CatalogIt

Here are some helpful tips to search CatalogIt.

Use the following examples to search.

 Search ALL PHOTOS

- Use quotes around a string of words to find Entries that include that exact string.
Example: "Deep Cove Boats"
- Use the + symbol between words to find Entries that include all of those words.
Example: Road+Logging
- Use the - symbol to exclude terms.
Example: -school
- Use the + and - symbols together.
Example: -deep+cove
- Use the * symbol as a "wild card" suffix.
Example: school*
